

The CorVent Clay Classic: Benefiting Fisher House ND

Saturday, October 4, 2025 • 11am to 2pm
The Shooting Park of Horace

Why We're Raising Funds Now

The house is not yet built, and your support will go directly toward construction, landscaping, furnishings, and artwork to complete the project. Once construction is finished, the U.S. Department of Veterans Affairs will cover ongoing operating expenses — meaning your contribution today creates a lasting legacy for decades to come.
