It was reported we have received petitions with approximately 20,500 signatures. There are several petitions with minor problems. These will be returned, asking that they be corrected and returned to the committee.

Discussion followed on a proposed news release which Earl Redlin will release today. (Copy attached.)

The suggestion was made that the Department Commanders take the petitions to the Secretary of State.

The committee decided to set July 22 as the final date for submission of the petitions that are still outstanding. This will allow time to check the petitions for accuracy. The date of August 5 was set to deliver the petitions to the Secretary of State. Mr. Meier will be in on this date.

Discussion followed on posters and materials that should be developed for use in the campaign.

Date for the next meeting will be set at the meeting of the North Dakota Veterans Coordinating Council.
