Dear Search Committee:

At the July NDVCC meeting it was decided to have the three of you serve as a search committee to find a replacement for Leo Swenson as Legislative Liaison for the North Dakota Veterans Coordinating Council. You were given the names of Rick Ryan, Moody Dalke, Gene Kouba and Joe Novak as potential candidates to interview. I am wondering if you have found a replacement.

I think it is very important that we have all our people in place before the November 4-5 meeting of the Council. Please let me know before October 10th if you have found anyone. Thank you for your prompt attention to this need.

Sincerely,

Rick Olek, President
