

My HealtheVet Program Update for FY16

Lana Waters
Fargo VA Health Care System MHV Coordinator

September 2015

My HealtheVet

- Gives Veterans more access to their health information
- Major tool for Veterans to be more active members of their health care teams
- Improves access to care teams
- Secure Messaging; pts and clinical teams appreciate **asynchronous communication**

VETERANS HEALTH ADMINISTRATION

1

FY15 Expectations – Where we are

- MHV Kiosks
- Workload Credit
- Prescription Tracking
 - Delivery Notification through Email
- Increased Clinical use of Secure Messaging
