The Commanding General desires to record in General Orders the valor and devotion to duty of these officers and men of the 3rd Division. Their individual deeds, summed up, have created the glorious record enjoyed by the Marne Division, from those unforgettable days at Chateau-Thierry, in the defense of Paris, to the Victory Drive which began on the banks of the Marne and continued relentlessly until its brilliant conclusion in the Argonne before Sedan. At Janvier Farm on the morning of July 15, 1918, he was with a piece on a road some distance to the flank from the main battery position, where a harassing fire had been fired. The preliminary bombardment by the Germans for their advance had begun as Lieutenant Hoverson's piece had finished firing. The piece was to be returned at once to the normal battery position. The road over which Lieutenant Hoverson and his men had to haul the piece by hand was swept with shell fire, but he went ahead with utter disregard thereof, and although forced to leave the piece at times on account of

the heavy shelling, he succeeded in returning the piece to the battery position in time to participate in the S.O.S. barrage. Entitled to wear a silver star.
