Type of Discharge/Time in Service

- Type of Discharge - Discharge type is immaterial for use of the Military Outreach Program, but it can effect your eligibility of military benefits.
- Time in Service - If you or a family member has served in the Military for at least 1 day, we'll do what we can to assist.

Outreach Program

How we can help!

- Outreach Specialists work with Active Duty, National Guard, and Reserve Units throughout the state to make the transition back to civilian life easier.
- We provide resource materials to the service members and families in order to help them deal with obstacles they may encounter.

Outreach Program

How we can help!

- The Military Outreach Program is **“NOT”** the VA. We aren't affiliated with them. However, we do work closely with the VA in order to provide the best services possible to our customers.
- We maintain close relationships with Local Community, State and Federal organizations.
 - Example: County Veteran Service Officers(CVSO), National Service Officers (NSO), ND Veteran Affairs.
