THE MARINE HYMN

From the Halls of Montezuma,
To the Shores of Tripoli,
We fight our country's battles,
In the air, on land, and sea,
To keep our nation's freedom,
And to keep our honor clean,
We are proud to claim the title of
UNITED STATES MARINE.

Our flag's saluted in every corner,
From dawn to setting sun,
We have fought in every clime and place,
Where we could trace a spot,
In the snow of far off northern lands,
And in sunny tropic zones,
You will find us always on the job -
THE UNITED STATES MARINES.

Here's health to you and to our Corps,
Which we are proud to serve,
In many a strife we've fought for him,
And never has our service
If the Army and the Navy,
Ever look on Heaven's gates,
They will find the stars are graced by
UNITED STATES MARINES.

Cost

Basic Care:

Room and board charges for basic care are based on your monthly income less medical expenses. Rent will be calculated at 55% of the net income amount arrived at by subtracting your allowable medical expenses from your income. There is a cap on rent that may vary yearly dependent upon the calculated cost of care. The current rent cap is \$1,850.00. Spouses of veterans pay the max rate regardless of income or expenses.

Other charges that may incur are:

Haircuts

Travel – Per VA eligibility

Pharmacy-Per VA Co-Pay regulations

Cable - \$15.00 must provide own television

-Residents of Basic Care need to be independent in ADL's.

Cost

Skilled Care:

Skilled care residents are charged a daily rate as developed by the State of North Dakota Human Services Case Mix System. The North Dakota Veterans Home completes an MDS assessment on each new admission within 14 days. This information is then transmitted to the State of North Dakota so a case mix level can be assigned. The case mix level determines the daily rate that will be charged.

The North Dakota Veterans Home pre-bills room and board charges at the lowest case mix level. Rent will be calculated using the lowest case mix level on the day of admission and payment will be due at that time. Once we have received the case mix level assigned from the State of North Dakota we will correct the billing and any additional charges will be due on the next bill.

Other charges that may incur are:

Pharmacy-Per VA Co-Pay regulations

- Service-Connected(SC) disability rating of 70 percent or more: OR
- Needs nursing home care for a SC disability; OR
- Rated 60 percent SC and is either unemployable or has an official rating of “permanently and totally disabled.”
